**REMINDER: VENETIAN HURRICANE INFORMATION AND PREPARATION MEETING:
June 17th**

Dear members of the Venetian Golf and River Club community,

This is a reminder that the Community Association is holding a *hurricane preparation meeting* for our community at the River Club on **Monday, June 17th from 4:00-5:00 p.m.** Fire Chief Frank Giddens, Assistant City Manager James Clinch, POA Manager Raymond Juan, and VGRC District Field Manager, Keith Livermore will be available to answer your hurricane preparation and response questions.

We are early in the hurricane season but there are a couple of things that you can do at this time as part of your storm preparation (besides taking advantage of the tax exemptions for disaster supplies) (1) Check for any tree limbs that might need to be trimmed and make arrangements to have them removed (2) Make a note of out-of-doors items that might need to be moved inside when there is a threat of a storm (3) Begin to stock up on food items that do not require refrigeration. (Don't forget to have an old-fashioned can opener on hand).

We continue to add information to our Hurricane Corner website. The latest addition to the site is a list of "I Didn't Know That" frequently asked questions. This is a list of questions, asked by members of our community, which will be added to in the coming weeks. Here is the link to the Hurricane Corner: <https://vgrcca.org/hurricane-corner>.

Thank you,
Mary Rau-Foster (maryaufoster@gmail.com)
