

Good morning HRT members,

## **HRT TRAINING- JUNE 17TH**

This is a reminder of the upcoming training session for current and new members of the Hurricane Response Team. Please plan to attend the June 17th Community hurricane meeting that starts at 4:00 p.m. at the River Club followed by the HRT training to begin at 5:00 p.m. The training session will take no longer than one hour.

## **GREEN FOLDERS**

If you received a green folder (with procedures) at last year's training session, please bring it with you. If you attended the meeting but misplaced your folder, *please let me know* and I will bring another folder. For our new members, I will have folders for you.

## **TEE SHIRTS**

If you have a Hurricane *Readiness* Team tee shirt, please wear it to the meeting so that our community members will know who you are. If you do not have a tee shirt, please let me know your size. I will be placing an order for additional tee shirts. Please note, our name has changed from Readiness to Hurricane RESPONSE team. I will be asking the Community Association Board for new tee shirts with the current name for next year.
