

Posted on [May 28, 2025](#) by [Joe Browne](#)

A large group of people, mostly older adults, are seated in rows of dark wooden chairs with cream-colored seats, facing a stage area. The room is a grand hall with high ceilings, ornate chandeliers, and arched windows. On the stage, a man in a dark suit stands behind a wooden podium, addressing the group. A large abstract painting is displayed on the wall behind him. The floor is covered with a patterned carpet.
